Venice To Fight Tax Rate Protests

**N&W Railroad Seeking
Easement to Reroute
During Underpass Job**

The city of Venice will oppose in circuit court tax objection cases based on a charge that the city illegally extended a 33-cent tax rate for its general fund for the 1968 tax year, city council members were informed in regular meeting Friday night.

Mayor John E. Lee told the council that about \$60,000 in 1966 tax monies are involved in protests filed by Union Electric, Venice's principal taxpayer, and four of the major railroads operating in the City Terminal Railroad Association, Norfolk & Western, New York Central and the GM&O.

The tax problem was discussed by Mayor Lee and City Atty. Harry Hartman who, with Clerk William "Mike" Ebersold, attended public tax objection discussions in the court of Circuit Judge James O. Monroe at Edwardsville last week.

Charge Improper Tax
Bulk of the protested tax funds are those of Union Electric, the officials said, on grounds that tax revenue statutes permit an increase of not more than 25% of an existing general fund tax rate within any one year. Mayor Lee said railroad objections represent varying small amounts on different allegations.

Following a special election authorizing increases in the general, police and street department funds, the city of Venice extended a general fund rate of 33.3 cents per \$100 assessed valuation for the 1966

Four Demos File As '68 Election Period is Opened

Only four candidates for county offices subject to this year's June 11 primary elections filed nominating petitions with the county clerk's office today—first day of the filing period—but aspirants to precinct committeeman posts "swamped" the office the first hour it was open.

County candidates filing before noon today included Incumbent James Chapman of Collinsville, recorder of deeds; Willard "Butch" Powell of Granite City, circuit clerk; and Leon Scroggins of Granite City, state's attorney, all Democrats. Also filing was Wendell Durr, Edwardsville attorney, as a candidate for state's attorney on the Democratic ticket.

No candidates for county offices filed on the Republican ticket this morning, although a full ticket for all offices open to election has been circulating petitions.

No actual count of petitions received from committee-man candidates had been made this morning, but employees in the office of County Clerk Eulalia Hotz, said "I don't know where they came from, but they sure swamped us right after we opened."

The filing period will remain open through regular hours of the clerk's office next Monday. Candidates then will have through the following Monday, March 18, to withdraw their candidacies if they wish to do so.

Former GC Man Charged in Bank Theft

**Larry Kahle, 34, Held
For \$3000 Stickup at
Edwardsville Aug. 28**

Larry A. Kahle, 34, of Route Four, Edwardsville, formerly of Granite City, has admitted the armed robbery of the Edwardsville National Bank and is in custody today in Springfield in lieu of \$3000 bond.

He was arrested by FBI agents Friday afternoon at a tavern south of Edwardsville after he called an agent to arrange a meeting. He was taken to the Madison county sheriff's office where he admitted the robbery, then to Alton where he was arraigned before U.S. Commissioner Ronald Mottaz.

Sheriff's Deputy James Nichols, who said he was in the investigation of the robbery, said Kahle told authorities that he was tired of running.

The robbery occurred Aug.

Now in his 28th year of consecutive service, Maeras is the first and only mayor of the city of Madison.

The testimonial dinner is being given by business and civic leaders of Madison, with Avery Schermer as general chairman.

Limit of \$50 Tickets
"Capacity of the hall is 630 and it would be easy for us to get that many reservations immediately. But we will delay 3000 worth of antiques from the dinner in order for Mayor Maeras' local friends and associates to have an opportunity to make reservations first," Schermer commented.

He urged that those who want to be certain of obtaining seats begin contacting the ticket committee, headed by Harry R. Johnson and composed of Postmaster William Clinton, Gene Daley and Henry Bauman.

"Tickets will be available in a few days from the committee members or at the Madison post office."

Participation by Gov. Kerner was arranged by Harvey Miller, speaker committee chairman.

Chairmen Named
Committees include: Arrangements, Lawrence Palke, chairman, and Jack Friedman, Joseph Glik and Gerald Moss.

Sponsors committee, Dr. John E. Lee, chairman, and Chester McManaway and William Melber, Eugene R. Burnett, chairman.

"A number of leading officials from throughout the state are expected to attend the 50th anniversary of the organization of the local 'Y.'"

Guest speaker David C. Stubbs, director of international affairs for the YMCA of Metropolitan Chicago, world-wide traveler, stressed the YMCA program of providing experts to train leaders in needy countries to provide the spark for development of YMCA programs to cope with the country's problems.

William L. Harris, president of the YMCA board, presided

over the business meeting, and Randall Robertson, local lawyer, was master of ceremonies. Milton Reinhardt, past board member, served as installing officer for newly-elected board members, and Rev. Wilbur Lear of St. Bartholomew's Episcopal Church, gave the invocation.

17 Theft, Burglary Cases Listed; Man, 21, Nabbed

Seventeen cases of theft and burglary were reported to Quad-City and Madison county authorities during the weekend. Included were break-ins at a photography shop, restaurant and homes, with loot ranging from weapons, coins, rings and beer. A St. Louis man was arrested at a local parish rectory.

Taken into custody about 2:30 p.m. Saturday at the St. Elizabeth's parish rectory, 2301 Pon-

toon road, was Bernard Rice, 21, of St. Louis, who was charged with theft of property valued at over \$150.

Police said Rice was sought in connection with the theft of several purses and wallets at St. Elizabeth Hospital.

Another warrant charging escape was to be issued today. Police said that Rice was left alone momentarily while making a telephone call, and climbed out an unbarred window at 2:50 p.m. Sunday, but he was quickly captured.

At 3:35 p.m. Sunday he complained of being ill and was taken to St. Elizabeth Hospital, but he was returned to jail in 20 minutes.

Photo Shop Burglary
Equipment valued at \$877 was stolen in a burglary at the Laxenby Photography shop, 2820 Nameoki road. It was reported at 6:20 a.m. today. The rear door was forced open and the building was ransacked.

Taken were a typewriter valued at \$135, an adding machine valued at \$121, a \$500 press camera and a vacuum sweeper worth \$121.

A coin collection with a face value of \$100 was also taken.

Horsemanship Prefers Sidewalks to Streets

Police received two complaints Friday in less than an hour from widely-separated areas of Granite City that a man was riding a horse on the sidewalk.

Investigating officers were unable to locate the elusive equestrian.

The first complaint was at 3:35 p.m. in the 3100 block of Aubrey avenue, and the second at 4:15 p.m. from the 2500 and 2600 blocks of Benton street.

Area Accidents Take Two Lives; 12 Persons Hurt

**GC Woman is Killed,
5 Local Persons Hurt
In 2 Crashes in Mo.**

Mrs. Margaret M. Brinker, 26, of 2221 Delmar avenue, the mother of two young children, was fatally injured shortly after midnight Thursday when the car she was driving left Interstate 270, about one mile west of the Chain of Rocks bridge, and rolled over four or five times.

Mrs. Brinker was returning home from McDonald's Aircraft Corp., where she was employed as an assembler of the 4 p.m. to midnight shift, inquest will be conducted by the St. Louis county coroner.

In another crash Thursday afternoon, three Mitchell residents also employed at the aircraft plant, were hurt in a two-vehicle crash near the plant entrance.

Two passengers in the Brinker car, Michael Burlingame, 21, and Lester Copeland, 20, both of Granite City, also McDonald employees who rode to work daily with Mrs. Brinker, sustained superficial injuries in the crash.

Passengers' Injuries
Copeland was given emergency treatment for a sprained ankle, bruises to the right side and abrasions, while Burlingame suffered a dislocated left shoulder, lacerated scalp and minor cuts and bruises. Both were released.

Burlingame, 2625 Iowa street, a sheet metal riveter and cousin of the dead woman, told the Press-Record that "sudden thoughts happened to the front end of the vehicle, causing it to swerve violently and leave the highway."

He speculated a tire blowout or broken tie rod could have been the cause.

Both he and Copeland, a precision worker at the plant, remained inside the vehicle. Mrs. Brinker was thrown from the car.

Mrs. Brinker was born in Edwardsville and had resided in East St. Louis before moving to Granite City one year ago. She was a member of the St. Michael Community Church at Stallings and had been employed at the McDonnell plant about a year.

She leaves two children, Charles Edwin, five, and Celeste Elaine, seven; her parents, Mr. and Mrs. George W. James (Pat) Davis of St. Charles, Mo.; Mrs. Frank (Mary Beth) Holst of Marietta, Ga.; and Mrs. Bob (Gessene) Douglas of St. James, Mo.; and her grandmother, Mrs. Elsie Walker of Granite City.

Funeral services will be held today. Arrangements are being handled today by Ottisouri.

Injured in Missouri
Three Mitchell area residents, all employees of the McDonnell-Douglas Corp., were injured Thursday afternoon when the pickup truck in which they were riding was struck from the rear by a tractor-trailer truck at a traffic signal on Linbergh blvd. near the plant entrance.

Admitted to St. Elizabeth Hospital were Edward Young, 45, of 655 Chouteau avenue, driver of the pickup truck, and a tool crib worker at the plant, and Miss Mary Daniels, 19, of

were elected for three-year terms.
Board officers are Harris, president; Harold B. Fischer and Arthur D. Roseman, vice-presidents; Mrs. Berger, secretary; and Harold Thomas, treasurer.

The annual meeting included a review of the YMCA's 50-year history by Harris, who said the YMCA is now facing even a greater challenge in fulfilling the needs of the community. Service awards were presented by Harris to Earl Berg, part-time desk clerk for 23 years, and to David Cunningham and Mrs. Jackie Woods for 10 years. Special recognition also was given the YMCA leaders - advisers Mesdames John Harper, Robert Haynes, Donald Patton, Jerry Nelson, Joseph Mangiaracino, Harold Caldwell and Berger.

The annual financial report showed receipts totaling \$158,799 and disbursements of \$152,992 for 1967.

Demos Endorse Incumbents in County, State

The executive committee of the Madison County Democratic Central committee went "down the line" Thursday night for endorsement of all incumbent and opposition candidates for county, district and state offices.

Meeting in the Holiday Inn at Edwardsville, the 27-man executive board endorsed the full Democratic state ticket announced at Chicago last week, without opposition. The unanimous endorsement followed a report by William Jenkins, Worden, secretary of the county central committee.

At the district level the board voted endorsement of Cong. Melvin Price, East St. Louis, of the 24th Congressional District, and Cong. George Shipley of the 23rd Congressional District in their campaign for re-election. Leland J. Kennedy, Alton, seeking re-election as state representative of the 55th Representative District: Sam Vaden, Edwardsville, and Charles E. Schaefer of Montgomery county, seeking re-election as state representatives of the 3rd district.

The board also endorsed the candidacy of Margaret Harrington, Alton, committee woman, for delegate to the national nominating convention from the 23rd Congressional District. She was endorsed for the post by central committee chairman of 15 counties in a recent meeting at Vandallia.

Voter Opposition
Endorsement of incumbent county officeholders as candidates for re-election encountered opposition, however, when Alton representatives sought to leave open without endorsement the offices of coroner and state's attorney.

Incumbents in these offices are Coroner Leonard R. Davis and State's Atty. Leon Scroggins, both of Granite City. Both are serving by appointment and both have announced they will seek election.

Harold "Cotton" Robertson, chairman of the Alton city committee, proposed the two offices be withheld from the endorsement list because Scroggins and Davis are serving as appointees. He said an open contest should be permitted.

Nelson Hagnauer, supervisor of Granite City township, spoke in behalf of Davis and Scroggins, noting the county board had appointed them on the basis of their qualifications and that they were therefore entitled to approval by the county central committee.

On a motion by Howard Sparks, chairman of the Wood River Township committee, the board voted 23 to 2 to endorse all incumbents.

Other incumbent Democratic officeholders seeking re-election are John Kraynak, auditor; Wilbur "Butch" Portell, circuit clerk; and James Chapman, recorder.

MORE ABOUT Depot Starts

The military units under DOD in the metropolitan area in the registration of all available housing for rent or sale to military personnel without discrimination as to race, creed or color. There are 63 DOD agencies in the area, involving about 1700 military officers and men and from 700 to 1000 dependents.

The program will follow the rules of one originally initiated by the Department of Defense for Washington, D. C., and surrounding area and which now has been made applicable to all DOD agencies, Hoskin said.

How It Operates
Basically, the plan will operate like this: a complete housing survey will be made, with all DOD agencies participating. Real estate agencies and individual owners with property for rent or sale will be contacted and asked to sign non-discrimination pledges. Those who do will be placed on a referral list. It will be used for all agencies in approving quarters for incoming personnel.

The Army depot, serving as the management center, will maintain the referral list. All DOD agency personnel will be required to apply to the Family Housing Office at the depot for reference to housing facilities on the approved list.

"Simply stating it," Col. Hoskin told the meeting, "all incoming military personnel to the area will, upon arrival, report to the Family Housing Manager who will, to put it bluntly, tell him where he can live, or can't live."

Hoskin said that the staff of the Family Housing Office at the depot now has only four persons, including the family housing officer, Mrs. June Morgan. This, he said, will be doubled immediately to eight persons.

Most Difficult Phase
Col. Hoskin said the most difficult phase of the housing program will be the original registration of property owners or agents.

"It will take a lot of knocking on doors and ringing telephones, and each agency will have to do its part," he told the DOD representatives.

Ultimately, the colonel said, all permanent change of station orders directing military personnel to the area, will direct the individual to report to the Family Housing Officer prior to making arrangements for housing his family.

He pointed out that the problem of housing is not new to the Army depot which took over the management of existing government-owned housing when the St. Louis Support Center was phased out in December 1966.

Hoskin noted that the present inventory of government housing includes 168 sets of quarters under the command of the depot. Of these, 122 housing units are located in St. Louis and are now occupied and there is a waiting list for the larger units.

64 Units at Depot
The remaining 64 sets of quarters are located at the depot, he said. These are assigned to active duty military families attached to the installation and are now at 100% occupancy. Therefore, he noted, it is necessary to seek living quarters in privately owned properties for all other personnel.

In assuming the assignment as Army Community Center for the metropolitan area, Col. Hoskin told the group, the depot established a Community Service Center at the depot with a staff of four persons headed by Lt. William K. Savage. The new service will be designed to establish a one-stop center where all problems can be solved for military families instead of visiting a number of agencies scattered throughout the area.

He said he did not expect a staff of four to handle all of the work involved and called upon the officers and civilians' wives clubs, the NCO Wives Clubs and other military ladies organizations to volunteer their assistance. He said plans are being made to provide uniforms for volunteer women workers.

"Since all military families, active, retired and reserve, must for one reason or another, associate themselves with the depot frequently, it seems to me that we should all work toward building a consolidation of services here," he said.

15 Churches Represented At World Day of Prayer

Trust Bank to Issue All-Purpose Charge Cards

By mid-summer, Granite City Trust & Savings Bank will issue a new, all-purpose charge card to residents of the Quad-City area, according to an announcement made today by Ernest M. Karandjeff, bank president. It is called "Bankmark."

Karandjeff explained that Bankmark Charge "goes a step further than the usual travel and entertainment card, and will be used for everything from appliances and furniture to clothing and wigs. Cardholders will receive only one bill and make one payment."

"Instead of being encumbered by numerous small bills from many sources," Karandjeff said, the cardholder will be able to budget family expenses with one monthly payment.

"We felt that if we were to continue to offer the latest in bank services to our customers, the time had come for us to issue a bank charge card, and we chose Bankmark because we believe it is the most advanced credit card system available."

Payment Methods
In addition to the charge feature, cardholders can use their established credit lines to obtain up to \$100 in cash from any bank associated with the plan. Payment may be made in two ways, by paying as little as 5% (\$10 minimum) each month on the unpaid balance, or paying the entire amount within 25 days of statement date with no interest.

Bankmark will be the only card needed for shopping in the Quad-Cities, and will also be used throughout Missouri and southern Illinois.

Merchants will sign-up for Bankmark beginning May 1 of this year, and hundreds in this area are expected to participate. The plan lets merchants concentrate on merchandising without having capital tied up in accounts receivable, and in addition brings credit equality to smaller merchants who need to match the service of larger competitors.

"Each merchant will get same day credit for the sales tickets he deposits in our bank," Karandjeff pointed out, "allowing him to make maximum use of his operating capital."

There are more than 25 million bank cardholders from coast-to-coast at the present time. They generated more than one billion dollars of credit outstanding through the close of 1967. Retailers currently participating in charge card plans have increased sales volume significantly. "This national trend toward more charge cards," said Karandjeff, "shows the need in our area for a system geared to our local trade and business practices. Bankmark, we believe, is the answer to that need."

For maximum efficiency and security all Bankmark participating banks will be served by Credit Systems, Inc. This single non-profit corporation will issue all cards, process all sales tickets, and do the billing for all participating banks.

MISS BECHTEL Enlists in Army

Miss Bechtel Enlists In Women Army Corps

Miss Elaine Susan Bechtel, keeping the family tradition of serving with the Armed Forces consistent, enlisted in the Women's Army Corps in February and left for basic training at Fort McClellan, Ala. SFC Harold C. Pratt, local Army recruiter, announced her enlistment.

She is the daughter of Mr. and Mrs. Stanton Bechtel, 66 Cambridge avenue, who entertained approximately 50 friends and guests at an open house reception, in her honor.

Her father retired this year following 21 years service with the Army and Air Force, and her brother, David, is stationed with the U.S. Navy, Norfolk, Va., having enlisted in 1961.

Miss Bechtel, a graduate of Granite City high school, selected the Army Medical Corps as her enlistment guarantee.

Calls on Labor To Avoid Picket Line Violence

A strike with a picket line is legal, sanctioned by both state and federal law, but mass picketing and strike violence are equally as illegal, it was pointed out today in a statement by William F. Hoelscher, manager-secretary of the Manufacturers Association of the Tri-Cities.

The statement, noting that "there are no special laws governing conduct on the picket line and there need be none," urges all persons, whether pickets or non-pickets to respect the rights of others, subject to the rules of conduct that regulate the daily lives of everyone.

"No responsible labor leader in the United States would advocate either mass picketing of strike line violence because he recognizes fully that such action defeats the union's legal right to peacefully conduct a labor strike, subjects the union to responsibility for the unauthorized acts and subjects the pickets involved to possible immediate termination, civil liability and criminal responsibility," Hoelscher said.

Parties to a labor dispute are normally good, law-abiding citizens, Hoelscher said, "and our municipality has an obligation to see that law and order are maintained."

"During a labor controversy," he added, "the police department sometimes must deal with the mass movement of men who forget to think as they normally do. The police department in such circumstances must at all times be master of the situation and enforce the law fairly, strictly, impartially and quickly."

Youth Dives into Lake, Hides There To Elude Police

A fleeing prowler suspect who eventually was captured by Pontoon Beach police dove into Long Lake about 12:30 a.m. today, swam across it and hid in the water for more than an hour in an effort to elude police.

Police Chief Edward Jelf said the youth admitted being in the Lakeview Estates area in the last several weeks. During that period, Jelf said, the Pontoon Beach police department had received more than 50 complaints from residents who had seen a man prowling the area.

Because of the complaints, Police Chief Merle Hensley, who lives in the area, had been watching for the prowler from a window of his home. Hensley saw the youth near a neighborhood home about midnight. He called Jelf, Sgt. George Grimm and Detective F. A. Bolin and then gave chase on foot.

The youth ran toward Long Lake where he dove into the water, Jelf said. Hensley then joined by the other three officers and all began searching the area on both sides of the lake. Jelf said they learned later the boy hid in the water under a pier for more than an hour. The temperature was around 20 degrees.

Young Geitz eventually came out of the water and made his way to a nearby residence where he was permitted to use a telephone to call a cousin to bring him dry clothing. The cousin picked up Geitz at the residence where he had telephoned and was driving out of the area when the car was sighted by the officers still searching nearby.

Police followed the car. When it made a wrong turn to leave the area and around in a tavern parking lot, police stopped it to question the occupants, Jelf said. Geitz was still in soaking wet clothes, the officer said. Jelf noted that the officers determined the cousin was unaware of what had happened and was not involved in the incident.

Geitz was taken to the Granite City police station where he was booked on a charge of disorderly conduct.

Miss McCulloch Becomes Bride of Donald Lynn

Miss Mary McCulloch, 2023a Iowa street, daughter of Mr. and Mrs. D. W. McCulloch, 1411 Sharon street, Janesville, Wis., became the bride of Donald Lynn of Jerseyville Thursday evening at Central Christian Church, 2020 Johnson road.

A 7 p.m. ceremony was performed by Rev. James R. Craddock.

The groom's parents, Mr. and Mrs. H. D. Lynn reside at 704 South Prairie street, Jerseyville, Ill.

Miss McCulloch was given in marriage by her father and chose a street length dress in white wool, styled on princess lines featuring long sleeves and a jewel neckline.

Mr. and Mrs. Charles E. Harlow III of Carlinville, Ill. were their only attendants.

The bride's parents, Mr. and Mrs. McCulloch, entertained the immediate families and close friends at a dinner party following the ceremony.

The former Miss McCulloch was graduated from Blackburn College in Carlinville, Ill. in Dec. 1967 with a BA degree in Social Studies, majoring in Sociology and Psychology. She is presently employed with the Department of Children and Family Service in East St. Louis, as a social worker. She also was employed at Central Christian Church during the summer of 1966.

Mr. Lynn served three years in the U. S. Army after graduating from high school and is now employed at Laclede Steel Co., Alton.

Mr. and Mrs. Lynn will make their home at 2023a Iowa street following a wedding trip.

ENGAGED, Miss Karen Munoz, whose engagement to L/Cpl. Terry Bridgeman is being announced by her parents, Mr. and Mrs. Alfonso Munoz, 2145a State street.

Miss Munoz Is Engaged

The engagement of Miss Karen Munoz and L/Cpl. Terry Bridgeman, son of Mr. and Mrs. Charles Bridgeman, 2415 East 24th street, is being announced by the bride-elect's parents, Mr. and Mrs. Alfonso Munoz, 2145a State street.

The prospective bridegroom, who has served three years with the Marine Corps, is presently stationed at Camp Pendleton, Calif., awaiting orders for overseas duty, as he has enlisted for an additional year.

Wedding plans are incomplete.

EPSTEIN'S OBSERVE 47TH ANNIVERSARY

Dr. and Mrs. Harry Epstein, 2862 Iowa street, observed the 47th wedding anniversary at a family dinner party given by their son-in-law and daughter, Mr. and Mrs. David Arst, Alton, at the Colonial Supper Club, Alton, this week.

The occasion also marked the 16th anniversary of Mr. and Mrs. Arst, as both couples were married on the first Sunday in March and have celebrated jointly each year.

CLUB TO MEET

Mrs. June Fritz, president of the Thursday Club, reminds members that tickets for the club's trip to the Charlotte Peters Show on April 3 will be distributed at the regular breakfast meeting at 10:30 a.m. Thursday in the Grand Cafe Annex.

Miss Toni Fazio Bride Of Delbert A. Clemons

The First Methodist Church of Madison was the scene of the wedding Sunday afternoon at three o'clock of Miss Toni N. Fazio, 3209 Maryville road, and Delbert A. Clemons of Madison.

The bride is the daughter of Mr. and Mrs. T. E. Rebert, who are residing in Decatur, Ill. Mr. Clemons is the son of Mr. and Mrs. E. W. Clemons, 1703 Third street, Madison.

The altar of the church was adorned with bouquets of white flowers and ferns and the aisles and pews were marked with white satin bows.

The soloist, Wayne Scannel, sang "The Wedding Prayer," "Always" and "O Promise Me," accompanied at the organ by Phil Spence.

Rev. Goodloe Love, pastor of the church, officiated at the double ring ceremony. Mr. Rebert escorted his daughter down the white-carpeted aisle, giving her in marriage.

The bride was attired in a floor-length gown of Chantilly lace with bell shape styling. The church waiting area was complemented by a large bow.

The shoulder-length veil of illusion was held secure with a crown of pearls.

A bouquet of white roses tied with white streamers was carried.

Miss Vicki Bogosian was maid of honor and bridesmaids were Miss Carol Bogosian and Miss Karen Bore, They were dressed identically in full-length gowns of light blue. They wore matching headpieces of light blue. Each had a bouquet of white carnations tipped with light blue.

Don Price, cousin of the groom, served as best man, with John Robertson, also a cousin of the groom, and Mike Graves as groomsmen.

Steven Clemons, brother of the groom, and Bill Hayes seated the guests.

Mrs. Clemons, the groom's mother, wore a pink shantung coat dress with white accessories. Each mother had a corsage of white roses.

The former Miss Fazio, is a graduate of the Granite City schools and attended the Granite City School of Beauty Culture. She is presently employed at Na-Bar-Hood Hair Fashions in Granite City.

Mr. Clemons, a graduate of the Madison schools, attended Southern Illinois University's Springfield campus and the University of Missouri and is presently employed as a deputy sheriff in Madison county.

A reception followed the ceremony at the Kirkpatrick recreation center.

After a one-week honeymoon trip, the young couple will reside in Madison.

GC 'Copter Pilot in Vietnam Wins Korean Gov't. Medal

In special ceremonies near Nha Trang, South Vietnam, an unusual and distinguished honor was bestowed upon a young helicopter pilot from Mitchell, who received one of the highest military decorations awarded by the Republic of Korea.

The Order of Military Merit, in Hun, was awarded to Warrant Officer Reggie Welsch, son of Mr. and Mrs. Lincoln Welsch, 116 Springfield avenue, Mitchell, by Park Chung Hee, President of the Republic of Korea.

Presentation of the medal and citation was made two weeks ago on the Korean president's behalf by Lt. Gen. Chae Myung Shin, commander of the ROK Forces in Vietnam. Mr. and Mrs. Welsch received their son's medal last week.

W. Welsch, 21, a U.S. Army aircraft commander with the 48th Assault Helicopter Co., who since Nov. 19 has been attached to the Korean Ninth (White Horse) Division, was cited for materially assisting the ROK Armed Forces and specifically commended for actions during military operations on Nov. 26.

Pfc Schwent, 20, Wounded Second Time in Vietnam

The family of Pfc Louis Schwent, 20, who was wounded for a second time in Vietnam on Feb. 22 is concerned over his safety since he was taken out of a hospital in Vietnam and put into the lines on Feb. 15 while still undergoing treatment for hookworm. He was returned to duty from the hospital in Japan with shrapnel wounds to his neck and a broken eardrum.

His parents, Mr. and Mrs. Jack Patrick, 4140 Division street, said last week they received three telephone calls from him. He now is in a hospital in Japan with shrapnel wounds to his neck and a broken eardrum.

Pfc Schwent was first wounded in enemy action Dec. 10, when he suffered burns to his hands while serving with the First Air Cavalry Division and then re-entered the hospital with hookworm which he contracted in rice paddies in Vietnam.

Patrick says he intends to write military authorities to determine why his son was taken from the hospital while still sick and placed in the lines. "It seems there should be enough well soldiers to handle such a situation. He's still undergoing treatment for hookworm at the hospital in Japan," Patrick said.

He entered the Army in September 1966 and has been in Vietnam since last November.

Vandals Hurl Object At Auto, Driver Hurt

A motorist suffered a cut to his right hand about 8:45 p.m. Friday when he was driving in the 2500 block of Washington avenue and a large object hurled by vandals broke out the right window of his car.

Larry Behrens, 5035 Lake View drive, told police he stopped but did not see anyone. At 9 p.m., Jerry Campbell, 2161 Robert street, said two young boys smashed a headlight of his auto while the car was parked near the Nameoki Village laundromat.

Dr. J. R. Vasiloff reported at 9:10 p.m. Friday that vandals had broken and unrooted the base for a floodlight on the lawn at his offices, 2008 Cleveland blvd.

Navy Seeking Nurses, Lists Requirements

The Navy Department is recruiting qualified nurses and has announced its qualification criteria.

Registered nurses may be eligible for direct appointment in the Navy Nurse Corps. Student nurses may apply for a commission as a Navy nurse six months before graduation. Openings also exist for male nurses. The grade in which a nurse is commissioned is contingent on education attained, age and experience.

The Navy nurse career follows a pattern from staff level assignments to clinical specialization and supervisory duties as rapidly as the individual can assume and discharge the additional responsibility. Duty assignments run the complete range of professional nursing practice.

Additional information is available at the office of the naval recruiter in East St. Louis.

Two More Grass Fires

Venice firemen were called to two grass fires Friday, one at 3:20 p.m. to Kerr street and the railroad tracks and the other at 3:45 p.m. to north of the Merchants highline on county road. There was no loss. Fire Chief William Meschan said that in both instances the fires were caused by burning fuses tossed aside by railroad workers.

Weed, Grass Fires

A weed fire at Nameoki road and Clark avenue was extinguished about 3 p.m. Friday. At 10:30 p.m., police were called to 3243 Colgate drive where a cigarette apparently set fire to grass between the sidewalk and curb.

GC 3rd in Park Recreation Day

Granite City park district hopes for a third consecutive championship and permanent possession of a traveling trophy in an annual "recreation day" program were stymied, at least until next year, when the local youngsters tied with Highland for third place Saturday at Roxana.

Top honors went to Centralia, which recorded 23 points, followed by Wood River, 18 points, and Highland and Granite City, 12 points each.

More than 400 young people competed in the all-day sports program, hosted this year by the Roxana park district.

Forty participated from Granite City, with first place won by the table tennis duo of Deena Poulas and Janis Mehele. Keith Melancon of the local squad captured second place in boys' singles for the same event.

In basketball, fifth and sixth grade boys took second place, losing 38-20 in a back-to-back final game with Highland, while local high school cagers bowed to a strong Centralia team, 72-20.

Final team standings were announced Saturday evening at a get-together dance and social hour at the Wood River "JiveLand" teen center, where participants were entertained with live music and refreshments before returning home by chartered bus.

Granite City won the large traveling trophy in 1966 and 1967.

Gayle Thompson Takes YMCA Divisional Title

Gayle Thompson of Granite City placed first in the intermediate division of the YMCA's District IV diving meet held Saturday in Decatur, outscoring her opponents by accumulating a total of 217 points.

Capturing the divisional intermediate title now qualifies the local diver to compete in the Illinois YMCA diving finals, set for March 23 in Chicago. She is the daughter of Mr. and Mrs. Earl R. Thompson, 3805 Washburn avenue.

The Granite City high school student, who represented Alton YMCA in the Decatur meet, received a second place trophy Thursday evening in the 33rd annual JCCA invitational contest in St. Louis.

PRESS-RECORD SPORTS

Sanford-Brown Plays Wednesday

Sanford-Brown College will play Wednesday night in the semi-finals of the six-team St. Louis Kiwanis Tournament at Boys' Club Gym, 11th and Sidney streets in St. Louis.

The Indians have an 11-13 overall record and will play the winner of the Parks Air College and St. Mary's College game.

Starting at guard for Sanford-Brown will be Leon Bland of Madison, who has lead the team in field-goal percentage with a 48.5% and is among the team leaders in assists. Bland has averaged 10.5 points per game.

Bob Rood, former Triad star, who is averaging 20.5 points per game, will have an opportunity to go over 300 rebounds for the season in the tournament—a feat accomplished only by Carl Wortham, former Sanford-Brown star from Granite City.

New Soccer Season Opens

The YMCA Soccer Association opened its seventh year Sunday afternoon as the Midwest Division and Bantam Division got the spring season rolling.

The other divisions, Atomis and Pee Wees, will start later this month—2nd Year Atomis this Saturday and 1st Year Atomis and Pee Wees March 16.

In the Midwest Division, Credit Union beat St. Elizabeth 2-0, was Mitchell Athletic Club The Bantam division winner over Gasparovic Agency 2-0.

3 Points for Granite City in Indoor Meet

The GCHS track team competed in a St. Louis indoor track meet Friday night at the National Guard Armory against an estimated 35 schools and was able to score three points.

The Warriors have scored in all of the meets held thus far. The sophomore mile relay team, able to get points in every meet but this one, placed sixth but broke the St. Louis Army record by 2.8 seconds.

Gaining a third place for the Warriors were Richard Bull, Ken Elliff, Mike Allen and Mike Burris, members of the distance medley relay team.

Coach Jim Morrison said, "This was the finest meet held this season. Almost every relay team met but this one, placed either tied, broken or grazed. Our boys made another outstanding showing and are looking forward to this weekend, when we'll be making our last trip to the Armory."

DeKalb Wins, GC 47th in State Mat Tourney

The Granite City high school Wrestling team scored two team points to finish 47th among 111 teams entered in the Illinois state tournament held at Northwestern University, Evanston Friday and Saturday.

DeKalb won, edging East Leyden of Franklin Park 27-26. Ricky Smith was the highest Warrior finisher, earning sixth place among the 16 athletes competing at 145 pounds. He won one of his four matches

beating Wallace Swift of Faragut 4-2 in his second bout.

Smith lost his first match to Gil Vaguez of Sterling 9-4, bowed to Chuck Schufeder of Richards 8-1 and dropped the fifth place match to Bob Anderson 7-2.

Bob Miller (103) won his first match 5-1 against Steven Munger of Pekin, but then lost his next two, 8-1 and 14-5.

Dempsey Cross (138) lost 6-0 to Dale Baron of Argo and also 6-0 to Kent Younglin of Lincoln Way.

Paul Hoffman (154 pounds) wrestled only once and lost that match 8-2 to Chuck Robinson of

East Aurora. The number of bouts depends to an extent on how far a wrestler's early opponents progress in the meet.

Decatur Third
Others in the top ten were Stephen Decatur third with 23, Savannah 19, Sterling 18, University high of Normal 17, Deerfield 16, Barrington 15, North Chicago 15 and Finley Park 14.

Lincoln of East St. Louis placed 26th with 12 points and East St. Louis 43rd with six points.

There were two successful defending champions in the meet, 98-pound Richard Cassion of Thornton Fractional high school

and Bob Shelby (180) of Champaign.

Shelby, 145-pound state champion Mark Malley of Champaign and 112-pound state champion Russ Cunningham of Decatur won in the Granite City holiday tournament this season.

DeKalb won the Blaine sectional and sent four wrestlers to the state. Favored Pekin failed to challenge for the state title.

"We were able to get 100% from our boys but we were outwrestled," Coach William Schmitt related.

Other new state champions are Rick Kerber (103), Waukegan; Bill Stephens (120), Barrington; Phil Parker (127), North Chicago; Tom Neuses (133), Main South; Gary Drury (138), East Leyden; Jack Pedola (154), DeKalb; Ken Monroe (165), East Leyden; and Frank Chandler (heavyweight), Lincoln Way.

All-Conquering Trojans Sparkle in 102-62 Win

The Madison high school basketball Trojans ended on a happy note Friday night by beating Midwestern Conference opponent Highland 106-62 at the Trojan gym.

The Trojans finished their season with a 22-3 record for the year and won the Midwestern Conference with an 11-1 mark.

The quarter scores were 21-15, 48-25 and 73-42. MHS was paced by the 38-point shooting of Gary Lusk, who averaged 31 points a game, second only in this area to Collinsville's Tom Parker.

"One of the main points that has made us successful this year is our rebounding. This is what made the difference again Friday night," Coach John Logan noted.

"Joe Collins, Tom Weston and Keith Williams have been our leaders in rebounding, and they were able to come through again. They also were a great help in scoring: Weston got 25, Collins 18 and Williams four."

Other pointmakers were Jim Scott 10, Titus Shipp two, John Harper two and John Ervin two.

3-6-9 Bowling Meet Staged at Tri Mor

Winners of a 3-6-9 bowling tournament (automatic strikes in those frames) held at Tri-Mor Bowl last week, ending last night, were Bill Lehmann, 890, three games including handicap, Ray Witter 806 and Bill Kuenkler, 760.

Women winners were Clara Nolan 761, Dixie Baker 760 and Jeanie Benson, 724.

Cash awards will be presented at 8 p.m. Friday at the Tri-Mor lanes.

Venice Devils Win District Tourney

Champions for the fourth straight year, the Venice high school Red Devil basketball team won the O'Fallon District tournament Friday night by beating the host Panthers 77-54.

The quarter scores were 20-9, 44-21 and 77-54.

Coach William Ohlendorf said the big difference came in the second quarter when O'Fallon went for four minutes without scoring and the Devils reaped the advantage.

"Our press was very effective as we made them throw the ball away several times, intercepted many of their passes and made them commit more mistakes than they could afford and expect to win," Ohlendorf said.

Revolving Press "We used a zone defense under the basket; and in bringing the ball up the floor, we used a two on one revolving press. It worked like a charm in

holding down their score."

The Red Devils had three of their starters in double figures as Tom McIntosh hit for 23 points, Larry Mosby 20 and John Gardner 13.

Also scoring were Russ Turner eight, Frank Glover eight, and Presser Gray five.

Earning their way to the championship, Venice beat St. Henry's Prep of Belleville 88-61 Monday night and beat Columbia 96-77 on Wednesday evening.

O'Fallon beat Lebanon 99-85 Tuesday evening and Thursday won over Dupu 73-69.

The Red Devils will play tonight against Cahokia in the Belleville Althoff Regional tournament at 8 o'clock.

Venice to Fight

tax year. This was an increase of 16.2 cents, or almost 100% over the 1965 rate of 17.1 cents.

Union Electric contends in its objections that the city was allowed under state laws to raise the general fund rate only 4.27 cents, or 25% of the existing 17.1 cent rate, for the 1966 year, even though a large increase was authorized by the special election.

Hartman contended the objection has no solid basis and that the city decided to let the case go into court rather than compromise the issue. Further pre-trial discussions of tax problems in Madison county cities and villages are scheduled in circuit court March 15.

The council Friday night also referred to Edward Juneau, consulting engineer a request from the Illinois State Highway Department for a temporary construction easement in behalf of the Norfolk & Western Railroad. The easement is needed by the railroad to re-route its lines during construction.

Police Chief John Essington reported the department made 23 arrests during January, resulting in payment of \$1038 in fines to the city of Venice. Of these arrested, 11 were charged with city violations, one arrested on a state charge, six for traffic violations and five others of miscellaneous disposition.

Mrs. Ruth Tedesco Nominee for Civil Service Honors

Mrs. Ruth A. Tedesco, 1416 Washington avenue, has been nominated as a candidate for the title of Federal Civil Service Employee of the Year.

She is an administrative specialist in the General Freight Division of the St. Louis Field Office, Eastern Area, Military Traffic Management and Terminal Service.

A total of 33 nominees from 16 federal agencies in the metropolitan St. Louis area are participants in the 13th annual awards program.

Awards will be made at a banquet March 8 in the Khorassan room at the Chase-Park Plaza hotel in St. Louis to the outstanding candidate in each of three categories: administrative, managerial and technical, and professional and scientific.

Mrs. Tedesco, a native of Madison, attended Granite City public schools and was graduated from Granite City high school in January 1951 as the class salutatorian. A graduate of Brown's Business School, she entered government service as an employee of the Granite City Army Depot where she worked five years in the management and comptroller offices.

From October 1956 through February 1959, she was in Washington in the Chief of Engineers office. Since then she has been with the St. Louis field office and is attending an in-house, four-semester College of Advanced Traffic Management course.

During her entire federal career, Mrs. Tedesco has consistently been rated an outstanding employee. In 1963 and again in 1966 she was the St. Louis field office's candidate for the Federal Civil Service Employee of the Year award.

Mrs. Tedesco, the mother of a nine-year-old son, Timothy, is active in Granite City and Madison community and social affairs. She is secretary of the board of trustees for the Nativity of Virgin Mary Eastern Orthodox Church in Madison, is a church school teacher and choir member.

She is president of Chapter 171, Madison "R" Club of the Federated Russian Orthodox Clubs, a religious, educational and social organization engaged in church work and which provides financial aid to seminaries, orphanages, missions and homes for the aged. She was secretary of the club's Midwest district for five years.

She also participates in campaigns sponsored by the March of Dimes, Muscular Dystrophy and Heart Fund, and has donated more than 10 pints of blood to the Red Cross. In 1966 she took part in the pageant commemorating the 75th anniversary of the founding of Madison.

Heading the 13th annual Civil Service program is Col. Charles E. Hoskin III, commanding officer of the Granite City Army Depot.

Ceramics, Batiks by SIU Artists on Display

Ceramics by Jack Cannon and batiks by Catherine Milovich, both members of Southern Illinois University-Southwestern Campus Fine Arts Division, are on exhibit at the Craft Alliance Gallery in St. Louis, 4738 McPherson avenue.

Hours for the public preview are from 4 to 7 p.m. The exhibit will run through April 4; gallery hours are 10 a.m. to 4 p.m. Tuesday through Saturday.

Cannon, who joined the SIU-SW staff in 1965 as assistant professor of art, has had his works exhibited in a number of shows, including the invitational "Ceramic Arts USA, 1966," the Mississippi Craft Show in Memphis, Tenn., and the Mid-States Craft Exhibition, Evansville, Ind. A graduate of the University of North Carolina and George Peabody College, he received his master of fine arts degree from New York State College of Ceramics.

Associate professor of art and design, Mrs. Milovich has been a member of the SIU faculty since 1960. Her award-winning works, which include batiks, mosaics, enamels, stichery, watercolor, oil and acrylic, have been exhibited widely. Last year she had three one-man shows, two in St. Louis, one in Scranton, Pa. Prof. Milovich received her master's degree in fine arts from Columbia University and has done further graduate work at Washington University, where she was a lecturer for 10 years.

Cannon and his wife and four children live at Collinsville. Mrs. Milovich, wife of the late Tanaoko Milovich, lives in St. Louis.

Yelton is President Of Firm Dealer Group

During a meeting of the Greater St. Louis Kentucky Fried Chicken Dealer Group, this week, Leonard Yelton, owner-operator of the Kentucky Fried Chicken, 1510 Johnson road, was voted by acclamation to the presidency of the group. Yelton, one of the most successful Kentucky Fried Chicken operators in the area, attributes his success to the fact that he and his wife, Norma, exercise personal supervision of the operation in order to maintain the highest standards of quality-control.

ORATORICAL CONTEST WINNER, Steve Stagner (second from right) receiving a \$25 U. S. Savings Bond from Gene H. Sternberg, Optimist International president-elect, following the local contest Thursday afternoon at the YMCA. Runners-up were Kevin McIlvoy (left), who placed second and received a \$10 award; and Brad Cross (right), third place winner.

Steve Stagner Wins Optimist Club's Oratorical Contest

Steve Stagner, 14-year-old son of Mr. and Mrs. Pentress Stagner, 3145 Carlson avenue, was voted the outstanding speaker in the Granite City Optimist's "Floyd T. Mitchell Oratorical Contest" held Thursday afternoon in the YMCA auditorium.

Runners-up were Kevin McIlvoy, 14, son of Mr. and Mrs. Wendell McIlvoy, 62 Rivera drive, second place, and Brad Cross, 14, son of Mr. and Mrs. Charles Cross, 1623 Pontoon road, third. All are ninth grade students at Coolidge junior high school.

The local contest, re-named this year in tribute to the late Floyd T. Mitchell, a long-time club member and officer, was held in conjunction with the service group's weekly luncheon meeting.

Forty-two members and guests witnessed the event which was arranged and conducted by Raymond T. Jones, oratorical chairman, and committee members, William Kozyak, Leo Korn and Earl Lee.

A field of eight contestants participated in the 1968 contest, with each competitor presenting his own version of the topic, "The Golden Opportunity of Youth," during a four-to-five minute talk. All are coached by Mrs. Shirley Stoll, Coolidge junior high school speech instructor.

Other participants were Phil Dorch, 14, son of Mr. and Mrs. Clate Dorch, 2811 Warren avenue; John Harzill, 14, son of Mr. and Mrs. John Harzill,

National Foods '67 Income Down; Prospects Bright

National Tea Co., operators of National Foods, reported a net income of \$10,773,740 for 1967, compared to \$10,801,775 for 1966. Sales declined 3.6% from \$1,190,494,686 in 1966 to \$1,147,220,942 last year, it was related in the annual report to shareholders Friday by Norman A. Stepleton, president, at Chicago.

Net income for the year included a special credit arising from the sale of real estate in the amount of \$1,491,515, or 19 cents per share, which was recorded in the second quarter.

The 1967 net income amounted to \$1.37 per share on 7,845,613 shares, and in 1966 the figures were \$1.30 on 8,355,291 shares.

Stepleton said the retail food industry sales, along with other segments of the retailing business, were adversely affected in 1967 as the American consumer elected to save more of his disposable income and to spend less. As a result, sales in the first half of 1967 were weaker in comparison with recent years. "This weakness in retail food sales occurred despite the fact that prices of food for home consumption leveled off and actually decreased in 1967 as compared with 1966," he said.

"During the third quarter, as consumer confidence was restored, our sales showed an increase over the prior year. Our fourth quarter sales were markedly improved over those of 1966."

In 1967, the firm opened 23 new stores, seven of which were relocations of older stores. The average size of these stores was 18,398 square feet. During the past year, 41 stores were enlarged or remodeled at a total outlay of about \$3,700,000, while 38 outmoded stores were closed. Total expenditures for all capital improvements amounted to \$12,360,355.

"Sales during the first few weeks of 1968 have continued the favorable trend established in the latter half of 1967, and leading economists are forecasting a strong upswing in 1968, particularly for the retail segment of the economy," Stepleton said.

State's Mobile Air Sampler is Still Due Here

Henry Bielecki, chairman of the Granite City Air Pollution Control board, said today he has received a reply from the state control board that it still intends to locate a mobile air sampling station at 22nd and Adams street.

The unit originally was scheduled to be placed here last summer—a short time after a mobile unit was placed in East St. Louis.

In his reply to the local chairman, C. W. Klassen, technical secretary of the state board, said—"We intend to locate a mobile air sampling station at the Illinois Power Co. property on Adams street as soon as we are satisfied that certain of the sampling equipment will operate reliably."

"We have experienced difficulty in obtaining continuous operation of the sulphur dioxide samplers and to a lesser extent with the recorders, but we expect these difficulties soon to be resolved."

Klassen also advised Bielecki that the local chairman is on the mailing list for the state's quarterly air sampling report.

MR. AND MRS. HARRY KEITH MCCLURE, whose marriage took place Saturday evening at the First Church of the Nazarene, Collinsville. She is the daughter of Rev. and Mrs. James E. Walker, 52 Shirlevin drive, the former Miss Cynthia Marie Walker.

Miss Cynthia M. Walker And Harry K. McClure Wed

Miss Cynthia Marie Walker became the bride of Harry Keith McClure Saturday evening at the First Church of the Nazarene, Collinsville.

Rev. Paul Snellenberger, assisted by the bride's father, Rev. James E. Walker, performed the 7 p.m. candlelight ceremony, before an altar adorned with arrangements of white orchids, white snap dragons, greenery and white roses. Their parents are Rev. and Mrs. James E. Walker, 52 Shirlevin drive, and Mrs. E. Dean McCall, Westminster, Calif., and Harry McClure, 2110 Twentieth street, Granite City.

The bride, escorted down the white carpeted aisle and given in marriage by her father, chose a floor length gown of antique white satin re-embroidered with French imported Alencon lace appliques down the front panel and on the long sleeves, ending at the wrists with white beaded points.

Designed with a bateau neckline the gown had a Chapel train attached at the back.

Waiting flowing gently to the hemline of the gown. A shoulder length veil of bridal lace was secured with a headpiece of Chantilly lace petals embellished with pearls and she carried a cascade bouquet of white carnations centered with blue tipped carnations festooned with blue and white satin ribbons.

Miss Nina Webb served as maid of honor, and Miss Ann Mullen and Miss Barbara Bishop were bridesmaids. They wore identical gowns of ice blue tulle with a white bonded lace bodice and matching coat.

The honor attendant carried a colonial bouquet of dark blue and white carnations while the maids bouquets were white carnations tipped in blue.

William Condis, cousin of the groom served as best man, while Phil Walker, brother of the bride, and Randy Brooks, the bride's cousin, Thad Podgajny and Greg Spence completed the corps of groomsmen and ushers.

Wedding music was furnished by Mr. and Mrs. Marvin Hornet including the selections, "I'll Walk Beside You" and "God of Love."

Mrs. James Walker, mother of the bride, selected a three-piece suit of pink lace with bone accessories and her corsage was of white carnations.

A reception for wedding guests was given immediately following the ceremony in the basement of the church with approximately 150 attending.

Out-of-town guests were Mr. and Mrs. Roger Brooks, Anderson, Ind., an uncle and aunt of the bride, and Mrs. J. L. Cookson, Paragould, Ark., aunt of the bride.

Coronation Held Saturday

The Tops Whittle by White Club held their annual coronation Saturday evening, with ceremonies at the Venice Social Club.

Mrs. Shirley Coerver was crowned Queen for 1967 and Mrs. Shirley Jansen and Miss Beverly Provence were named as attendants.

The remainder of the evening was spent with dinner and dancing with the members husbands as special guests.

GC Steel Co. Plans Boost In Common Stock Shares

The 1967 annual report of the Granite City Steel Co., mailed today, informed stockholders that they will be asked to approve an amendment to the company's Certificate of Incorporation which "would authorize a sufficient number of common and preferred shares for a flexible capital structure suitable for mergers, acquisitions and a possible future reorganization for convertible preferred stock."

Nicholas P. Veeder, chairman of the board and president, said the amendment, if approved, would increase the number of authorized shares of Granite City Steel common stock from 7,500,000 to 10,000,000 shares, eliminate the presently authorized 97,735 shares of preferred stock, none of which is issued or outstanding, and authorize 1,500,000 shares of a new preferred stock of no par value and issuable in series.

The board of directors is authorized to establish the designations, voting powers, if any, preferences, rights, at the time of issue.

Will Not Be Issued

Veeder said there are "no plans at this time for issuance of any of the shares which will be authorized if the amendment to the Certificate of Incorporation is approved." The amendment will take effect if approved at the annual meeting of stockholders May 14, 1968. At Dec. 31, 1967, there were 4,354,756 shares of Granite City Steel common stock outstanding.

Granite City Steel's 1967 sales and earnings were announced several weeks ago by Veeder. Net sales amounted to \$141,740,000 in 1967 compared with \$139,200,000 in 1966. As a result of unusual breaking in costs, net income in 1967 amounted to \$5,447,000, or \$1.25 per common share, compared with \$10,386,000, or \$2.39 per common share, in 1966.

Improper Muffler Charge

Randall Jennings, 1700 Edison avenue, was arrested at Kirkpatrick Homes project at 1:45 a.m. yesterday, on a charge of operating a vehicle with an improper muffler.

Pontoon Beach Adds 50 Acres

Pontoon Beach trustees approved annexation of approximately 50 acres, mostly consisting of unimproved farm land along the west side of Highway 111 and north of the village boundaries at a special meeting called Friday evening by Village President Thomas Staloff.

Most of the annexed area which lies contiguous with the northern village limits is owned by Fox Theatre Enterprises, Inc., St. Louis. However, included in the newly-acquired area are tracts owned by Robert Collier and Walter Kavich. The acreage extends the corporation line 900-feet along Highway 111 and westward across Long Lake.

In other action, village officials approved a \$180 payment to Sheppard's Morgan & Schwaab civil engineers for surveying fees in connection with the recently annexed property on Pontoon road, a tract owned by A. & J. Market and the newly-acquired acreage.

A license to sell package liquor was granted to the A. & J. Market, and a liquor license was issued to the proprietors.

Tire, Wheel Stolen

A tire and wheel valued at \$27 were stolen from the 1964 auto of Boyd Sherman, Fairview Heights, while he was fishing at Horseshoe Lake near Route 111, he reported to the county sheriff's office at 3:40 p.m. Saturday.

License Charge

A charge of operating a motor vehicle without valid state license was placed against Donald Sutherland, 221 Lee avenue, who was issued an arrest ticket early Sunday at 2000 Madison avenue.

of Shamrock Tavern on Lake drive, which is located in the area annexed Friday.

Reward From U. S. to 'Drop Out'

(Waterloo, Ill., Republican)

We have heard so many stories about the federal aid to poverty that we thought we had reached the point at which nothing would surprise us. But now comes a story out of Chicago that tops anything we have ever heard.

The Tribune reported that South Side gang leaders employed in a \$972,000 federal anti-poverty education program have persuaded public school students to quit school and enroll in the poverty program, where they received \$45 a week to attend classes.

This was learned from reports of the Chicago police department's gang intelligence unit.

The report shows that students were being recruited by gang members to fill quotas in the poverty program.

The gang members—high school dropouts, many of whom have criminal records—were employed as top administrators and teachers in the program.

They received a \$5 bonus for each person recruited into the anti-poverty program.

In this program, high school dropouts are receiving annual salaries of up to \$800 to administer and teach other dropouts, who in turn are paid \$45 a week plus an allowance for dependents to attend the classes.

So here we have on one hand a federal government program which is encouraging young people to drop out of school. Then on the other hand, we have a federal program urging young people not to drop out of school.

We received just this week a series of advertisements

which are urged to publish as a public service or try to sell some business on sponsoring them.

Accompanying the series of ads is a message from W. Willard Wirtz, secretary of labor, addressed to the newspapers, saying, "Your help is needed to convince all young people that they are committing economic suicide if they don't receive all the education and training they possibly can."

"I urge you to give this Advertising Council Campaign your complete support. The nation will be the beneficiary."

The ads in this campaign are rather clever.

One of the slogans is "If you think staying in school is tough, talk to someone who quit," and the ad quote case histories of young people who dropped out.

This is a fine program, but it sure seems strange to us for the federal government to pay someone to persuade people to quit school for four years.

Somebody is not to be paid to go to school to sponsor advertising urging them not to quit.

The federal government also would like for more young people to become teachers.

What incentive is there for a person to go to school for four years and then earn less than a high school dropout gang member in Chicago?

Somebody must be done to get our system of values straightened out.

We're taking unfair advantage of people with high ideals—we let them work for peanuts because they feel dedicated to their work and want to contribute something to the betterment of the economy. Then we reward ambitious punks with outlandish salaries who don't think that someone that keep them out of trouble.

Tax Aspects of Doctor Bills, Bonds

(This column of questions and answers on federal tax matters is provided by the local office of the U. S. Internal Revenue Service and is published as a public service to taxpayers.)

Q—My father, who qualifies as my dependent, is over 65. Is it true that I can't deduct the doctor's bills I pay for him anymore?

A—You paid the medical expenses you paid last year for your father are deductible but they are now subject to the 3% limitation.

Another change in medical deductions is the new provision on medical insurance premiums. You may now deduct the cost of the premiums paid for medical insurance up to \$150 without regard to the 3% rule.

Even if your total medical expenses including the tax you pay for your father are less than 3% of your income, you may still deduct half of your medical insurance premiums up to \$150.

Q—I take a payroll deduction for savings and put them in my child's name. How has to pay the tax when they are cashed in?

A—It depends on how the bonds are registered. If the child is listed as co-owner on the bond, the purchaser

is liable for tax on the interest. If the child is sole owner with the parent as beneficiary, the child assumes tax liability.

Q—If I send in my return now, how long will it take to get my refund?

A—For returns that are complete and accurate, refund checks can be issued five or six weeks after the return is filed. Be sure to send your return to the regional service center in the envelope provided in the 1040 package for fast action on your return.

Q—We bought quite a few big things for our house this year. Can we add the sales tax we paid on them to the amount listed in the sales tax tables?

A—No. The sales tax paid on the purchase of a car may be added to an amount listed on the sales tax table.

Q—If you believe you are entitled to a larger sales tax deduction than the tables allow, deduct the amount you have the records to substantiate.

Q—I have been buying shares of stock for some years on a monthly investment plan. How do I figure the cost of the shares I sell some?

A—When no other price identification can be made, consider the shares you acquired earliest, the ones you acquired earliest.

Many Ways to Invest for Future

By THOMAS E. O'HARA

Chairman, National Association of Investment Clubs

Q—We bought a life insurance policy of \$10,000 on my husband for which we are paying \$40 a year in premiums. A friend has a \$10,000 policy for which he is paying \$130 a year. Wouldn't we be wise to take this second plan and invest the difference in premiums in stocks?

A—A person buying a life insurance policy should check on what he is buying. It looks like you have, in effect, bought both a life insurance coverage and a savings program. Your friend has bought only life insurance coverage.

If you buy a straight life insurance policy, you get an agreement from an insurance company to pay you a set amount—in your case, \$10,000—if the insured person dies.

In the plan your husband not only has bought life insurance, but has an agreement with the company that it will set aside a certain amount of your premium each year that you will eventually get back in cash, even without the insured person's dying.

Q—I am a widow with two school-age children. My husband left enough insurance to enable us to live the way we were accustomed if it is invested properly.

My attorney has drawn up a trust agreement for the investment of the money. I have already signed it because I'm not sure of what I want to do. Should I invest it some other way? I write to T. E. O'Hara, National Association of Investment Clubs, Dept. S, Box 1068, Detroit, Mich. 48231.

A. Individual bank trust funds vary as much in performance as mutual funds or, for that matter, the performance of individual stocks. It all depends on what bonds, stocks, etc., that a trust fund has bought as investments and how well those purchases do.

Trust departments of most banks have records and can show what they've done with trust funds for the last 10 years. This should give you some idea of how well the trust has performed in the future.

Most bank trust departments have a variety of programs under which they manage money. It is possible to specify the particular set-up you want your particular investment to be based upon.

You should realize that you don't have to simply turn over your money to the bank for it to manage without having some control of it yourself. You could, for instance, specify that a professional security analyst be used to select investments.

All this can be prescribed in the trust agreement before you sign it. Talk over your doubts and questions with your attorney and see if he can't come up with some ideas for you that will handle the questions and problems.

Have you a question about investing? Mr. O'Hara, editor of the monthly magazine, "Better Investing," will answer as many as possible in his column. Correspondents will receive a free copy of "Better Investing." Write to T. E. O'Hara, National Association of Investment Clubs, Dept. S, Box 1068, Detroit, Mich. 48231.

Blind Evangelist At Salvation Army

Evangelist Ruth Anderson will be the special speaker nightly during Gospel meetings to be conducted by the Salvation Army, 19th and Grand avenue, tomorrow through March 10. The theme for the campaign is "A Changeless Christ for a Changing Age."

Prior to losing her sight, Mrs. Anderson was a Salvation Army officer for ten years. She held appointments in the Minnesota Division, DeKalb, Ill., Chicago Bowers Corps and the School for Officers Training.

Mrs. Anderson sings and accompanies herself on the auto-harp and piano. Other special music will be provided by St. Louis, St. Charles, and Alton Corps.

The meeting will begin at 7 p.m. and the public is invited to attend.

Sailboat Owners Must Register Their Crafts

Sailboat operators must register their boats with the Illinois Department of Conservation if they are more than 12 feet long, William T. Lodge, director, reminded today.

"A section of our boating code passed by the 75th General Assembly requires that any sailboat over 12 feet long must be registered with our boating section and must display the proper registration number on the bow," Lodge said. "Our officers have been instructed to issue citations to violators."

Applications for registration may be obtained from marine dealers, "county conservation officers, or the Springfield office of the Department of Conservation, Room 106 State Office Building.

Of \$344,901 in Feb.

Twenty-two building permits issued for new construction in Granite City during February listed values totaling \$344,901, with an apartment house and seven new homes setting the pace.

The apartment buildings on Maryville and homes listed values of \$251,500. Others included one for an addition to a home, \$1600; two for garages, \$6700; seven for remodeling and repairs, \$11,601; and four for commercial-industrial purposes, \$73,500. In addition, six permits were issued to raise structures to a cost of \$796.

Ten permits were issued during the last week of the month with values of \$107,861. Included were five for homes, \$98,000; one for an addition, \$1600; three for remodeling and repairs, \$7571; and one advertising sign, \$2500.

The HWR Development Co. received permits for four of the homes, with three to be seven-room, two bath bricks at a cost of \$20,000 each at 2223 Erie drive, 2229 Newell drive and 3248 Kilmer drive, and one for a six-room, two-bath brick to cost \$18,000 at 3224 Erie drive. John Meehan received the other for a six-room, two-bath brick at 34 Del Rio drive to cost \$20,000.

Other permits were issued to William C. Burgess, 2121 Woodlawn avenue, install aluminum siding, \$2100; Pandella Stortz, 1641 Delmar avenue, aluminum siding and windows, \$1651; Nelson Dunlap, 1939 Grand avenue, remodel front of building, \$7571; Roby Selph, 4029 Rode avenue, room addition, \$1600; and Wells Tire Co., 2248 Madison avenue, a sign, \$2500.

Razing permits were issued to Joseph Reeves, two dwellings at 2716 Benton street at \$45, the State of Illinois, a dwelling and two sheds at 600 Niedringhaus avenue, \$312; and Howard Steele, a building at 2203 East 25th street, \$300.

Pfc Wallace Named 'Soldier of Month'

Pfc Howard L. Wallace, 17, son of Mrs. Virgie Wallace, 2145 Benton street, was named 3rd Brigade "Soldier of the Month" for January. He is in the 7th Infantry Division stationed in Korea.

The commendation came from the commanding officer, Col. Stephen A. Day, 2nd Battalion, 31st Infantry, 7th Infantry Division, APO San Francisco, Calif., who stated, "This is a signal honor, indicating that you surpass your fellow soldiers of the Brigade in military knowledge, courtesy, bearing and other soldierly qualities."

Pfc Wallace enlisted in the Army last May and has been in Korea since November.

Snow Destroys Kubant Home in California

Mr. and Mrs. Henry Kubant, former Granite Cityans, lost their home because of a severe snow storm at Mogolia, Calif. It was learned here last week. They moved to the mountains in California about two years ago and were away from the home in a mobile unit estate when the storm struck last Jan. 29. The mobile home was demolished by the snow which was 42 inches deep on the roof and was 12 to 15 feet deep in other areas. At the time of the storm, the Kubants were visiting their children in Fremont, Calif.

Mrs. Kubant was a clerk at Gramhams Book store at one time, and Mr. Kubant worked at Granite City Steel Co. They lived here 35 years.

responses revealed that 114 State mental hospitals across the country have college volunteers, while 79 hospitals do not. Among the latter grouping the geographic distance between hospital and college was a prohibitive factor.

Approximately 7700 college students were reported volunteers in the 114 hospitals that have a volunteer department, and it was also noted that they were located in 40 states.

Mrs. Marjorie Dingelman, volunteer services coordinator of Alton State, said "We feel most fortunate in having Monticello College and SIU-SW engaged in an on-going volunteer program, and newcomers to our program are students from Principia College, who participate in activities at the Youth Center on Tuesdays."

The following statement in the publication stresses the valuable contributions made by the students, as well as the importance of assignment of volunteers:

"The principal value to the patient is the knowledge that community people are interested in him. Patient contact with volunteers assists greatly in developing hope and initiative for patients. Patients sometimes respond with more incentive and cooperation because they feel the volunteer is not conducting the activity because he is paid and required to perform this service."

"Problems do develop, however, in securing the most efficient services of the volunteer by assignments with the hope they will 'fit them in' to the prescribed treatment programs of the individual patient."

"Great skills must be executed in planning for the volunteer so that his skills are utilized and the situation is comfortable."

Oliver W. Cherry, 80, Dies; Former Resident

Oliver W. Cherry, 80, a Granite City resident for 57 years prior to moving to Alton in 1961, died Thursday evening at an Alton hospital. In failing health for the past two years, he had been hospitalized since Feb. 23.

From 1909 until retirement in 1963, Mr. Cherry was employed as a machine operator in the finishing department of General Steel Industries. He was born in Bowling Green, Ky., and moved to the local community at the age of 17. He and the former Elizabeth Deahn, who died May 10, 1961, were married in St. Louis in 1907.

Mr. Cherry had been a member of the First Assembly of God Church in Granite City from 1920. Since residing at 2204 Central avenue, Alton, with his son, Lester E. Cherry, he had attended the Spring Street Assembly of God Church. He was preceded in death by a daughter, Erma, his parents, Mr. and Mrs. Euseb Cherry, one brother and three sisters.

Beside his son, also surviving are two brothers, Achison Cherry of Clearwater, Fla., and William Cherry of Vero Beach, Fla.; one sister, Mrs. Lottie Stiles of Bowling Green; three grandchildren and nine great-grandchildren.

Funeral services were held at 11 a.m. today in Alton with interment at St. John's Cemetery in Granite City.

2 Area Farmers Will Visit Congressmen

Harold Gindler of Collinsville and Robert Koeller of Godfrey are part of a contingent of 96 farmers from 88 Illinois counties that will fly to Washington, D.C., this week seeking congressional support of Farm Bureau's National legislative proposals.

Gindler, president of the Madison County Farm Bureau, farms a 317-acre grain and livestock farm. Koeller, director and legislative committee member, farms a 680-acre grain farm with his brother, Louis. They will leave Lambert airport Wednesday.

The county Farm Bureau leaders will contact the U.S. Senators and Representatives to get support for Farm Bureau's position in the areas of government spending and taxes, international trade, farm marketing rights, and national farm programs.

The fifth annual "Farmers to Washington" program is sponsored by the Illinois Agricultural Association, a state-wide Farm Bureau. Forty-eight farmers from 46 counties in the northern half of Illinois will visit Washington March 4-6. The contingent from the southern half of the state — 48 farmers from 42 counties — will visit the nation's capital March 6-8.

Council Meets Tonight

Granite City council members will meet this evening—first as the town board of auditors at 7:45 p.m. and then for a regular council session at 8 o'clock.

Local HS Students Merit System Proposed Enrolled in Traffic Safety Seminar

Enrolled in Traffic Safety Seminar

More than 1000 teenagers are expected to attend the Fifth State Assembly of the Illinois Youth Traffic Safety Conference to be held in Peoria, March 8 and 9.

Cathy Pratt and Robert Pates from Granite City high school will attend with their sponsor Robert Stegemeir, a teacher at the local high school.

Linda Swezia, Betty Puent, David Scaturro, Madelyn Caruso, and Kirk Reideberger of Venice high school will be accompanied on the trip by Omar Butts, the driver education teacher of the school.

The teenagers will conduct their own meetings with the official opening address by Deputy Superintendent Verne E. Crackel, and Frank Davis, traffic safety consultant to the governor.

He will discuss youths' responsibility as members of today's mobile society and will challenge the teenagers to take positive steps to reduce the mounting toll of death and injury on our streets and highways. Lt. Gov. Samuel H. Shapiro will address the luncheon meeting and review the recommendations developed by the conferees.

An electivity of a general chairman for the 1969 conference will be held with the nominees from the regional chairmen picked at the ten regional conferences held throughout the State last fall.

The conference with the theme "A Good Thing Today—for a Better Tomorrow," is sponsored by the Governor's Official Traffic Safety Coordinating Committee, the Illinois Department of Transportation, the Illinois Department of Public Instruction and the Illinois High School and College Driver Education Association.

Mitchell Khoury League to Register Boys Tomorrow

Registration of boys 7 to 15 for Mitchell Khoury League baseball teams will be held at 6 p.m. Tuesday in the gym at Mitchell school, it was announced Friday by Richard Chambers, director.

Boys new to the league are required to present birth certificates, and those who played on teams last year are requested to return last year's uniforms.

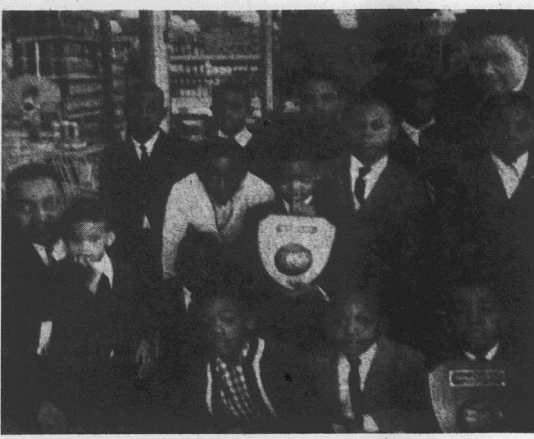

Chambers said the season will start May 14, preceded by an opening ceremony on May 11. Last year there were 10 teams with 170 boys participating.

Vietnam Volunteer Arrives at An Khe

Army Specialist Fifth Class Frank Rodgers III arrived in Vietnam on Feb. 8 and has been assigned to the 616th Medical Co. at An Khe in the Vietnamese Central Highlands. He is the son of Mr. and Mrs. Frank Rodgers Jr., 2515 Lincoln avenue.

A 1963 graduate of Granite City high school, SP/5 Rodgers volunteered to serve in Vietnam after completing two earlier tours of duty in Korea and Germany.

Prior to leaving for Southeast Asia, he was stationed at Denver, Colo., where his wife Lee is working in a military hospital while her husband is overseas.

A former medical corpsman, the soldier's current assignment is hospital equipment specialist, although he still assists in caring for the wounded Viet Cong and North Vietnamese prisoners.

In a recent letter home, SP/5 Rodgers states, "While at Bien Hoa airfield on Feb. 13, I was under rocket fire. Six rockets blew up very close to the bunker I was in. I am now based at An Khe and last night they mortared here. We expect they will mortar and try to break inside the camp again."

"Hanoi Hannah (North Vietnamese version of Tokyo Rose) said the Viet Cong will take over the fighting. I am all right, so don't worry about me," the soldier told his parents.

SP/5 Rodgers, 23, spent 14 months in Korea during 1965-66 and was stationed in Germany from November 1966 to December 1967. He entered the Army in August 1963 and re-enlisted in 1966 for a second three-year period.

4 Going to Vocational Education State Meet

As part of the local observance of Illinois Vocational Education Week this week, four Granite City school district faculty members will participate in the 1968 meeting of the Illinois Vocational Association Thursday through Saturday in Chicago.

They are Donald Sutphin, industrial arts and physical education teacher at Prather junior high school, representing the junior high level; Gordon Galbreath, Granite City high school industrial arts instructor, representing the industrial arts staff; Maxwell Forbes, GCHS electricity teacher, representing the vocational education staff; and James Reid, industrial arts consultant, representing the supervisory staff.

Over 2500 vocational educators from all areas of the state will attend the meeting, at which Gov. Otto Kerner, State Supt. of Public Instruction Ray Supt. Page, in his report of the Illinois Crusade dropout survey, recommends that curricula be improved to include vocational, business and trade areas and that these curriculums be strengthened with a broad school-work program.

Gov. Kerner's proclamation relates that "the future progress and prosperity of our state are dependent upon the productive skills and efforts of its citizenry."

"The vocational education program in Illinois is preparing persons of all age groups for productive occupational careers through its training and retraining programs, and vocational education is being expanded to provide training in emerging occupations as a result of social, economic and technological changes."

The Granite City industrial education program in 1966-67 had an enrollment of 1050 in industrial crafts I and II, 1024 in industrial arts class enrollments, 1414 in high school industrial arts instruction, 254 in GCHS trades and industrial courses and 977 in GCHS business education classes.

Proclaim March 3-9 as ILLINOIS VOCATIONAL EDUCATION WEEK and urge our citizens to recognize the many contributions of vocational education to our state and encourage the growth of this segment of education in Illinois."

Price Preparing Bill Aiding Ill Uranium Miners

Cong. Melvin Price today disclosed he is preparing legislation to provide greater disability benefits to uranium mining victims of lung cancer. In fatal cases, the families of deceased miners would receive survivor benefits.

Price's bill is an outgrowth of his Joint Atomic Energy Research, Development and Radiation Subcommittee's hearings last year on radiation safety and health problems of uranium miners exposed to ionized radiation.

During the subcommittee hearings it was uncovered that a higher-than-expected incidence of and proximity toward lung cancer occurred among uranium mine workers.

As a result of the correlation established between the disease's frequency and uranium mine workers, the subcommittee chairman, directed further study in the matter with a view toward developing remedial legislation.

Simultaneously, the U.S. Labor Department attempted to establish a working level of permissible radiation exposure as a preventive measure. The working level was designed to reflect the amount of permissible radiation exposure a miner could receive without danger.

Considerable question arose, however, with respect to the accuracy of the working level formula and the adequacy of the monitoring devices to be utilized. The proposed working level was later modified.

Commenting on this point, the local congressman said, "It is disheartening in view of the very serious hazards to human life that our knowledge of radiation measurement requires further refinement before completely reliable standards can be established. The Federal Radiation Council must work diligently toward that end."

"In the meantime we should not delay in the passage of compensatory legislation which would protect miners who developed lung cancer after the cutoff date but whose radiation exposure occurred within the period of federal procurement."

He explained his bill would contain a retroactive provision allowing any uranium miner who worked during the time period of federal procurement of uranium to receive benefits. This would protect miners who developed lung cancer after the cutoff date but whose radiation exposure occurred within the period of federal procurement.

Presently, many uranium mining states provide such benefits under their workmen's compensation laws. Price said any federal program "should not penalize or discourage state efforts." He indicated it was essential that a sound linkage be established between state and federal benefits.

Endorse Dr. Lee as Convention Delegate

Dr. John E. Lee, mayor of Venice, has been endorsed by the St. Clair County Democratic Central committee as a candidate for delegate to the National Democratic nominating convention, a post for which Dr. Lee was expected to file nominating petitions in Springfield today.

As a convention delegate of the 24th Congressional District, Dr. Lee would run in all of St. Clair county and 11 Madison county townships including Granite City, Nameoki, Wood River and Venice townships of the Quad-City area.

Endorsements by the St. Clair County Republican Central committee included that of Mrs. Lily Chaboude of Granite City as a candidate for alternate delegate to the GOP national convention from the 24th District. The endorsements were announced by both committees Saturday.

Marine Cpl. Thomason Takes Teletype Course

Marine Lance Cpl. Robert W. Thomason, son of Mrs. Frank Bashler, 2006 West 26th street, has graduated from the teletype operator course at the Marine Corps Recruit Depot, San Diego, Calif.

The eight-week course covered the operation and use of the teletypewriter and its associated equipment.

fatal cases to their dependents, if the radiation exposure occurred between April 1, 1948, when the government began procuring domestic uranium, and three years after the date of the miner's exposure. The three-year cutoff is contemplated because the U. S. will have terminated its procurement of uranium within approximately three years.

He explained his bill would contain a retroactive provision allowing any uranium miner who worked during the time period of federal procurement of uranium to receive benefits. This would protect miners who developed lung cancer after the cutoff date but whose radiation exposure occurred within the period of federal procurement.

Presently, many uranium mining states provide such benefits under their workmen's compensation laws. Price said any federal program "should not penalize or discourage state efforts." He indicated it was essential that a sound linkage be established between state and federal benefits.

Area Traffic Accident Rate Highest in 3-Year Period

The Quad-City area's traffic accident rate that has been on a decline for the past two years rose above the 1965 peak in the first two months of this year.

The statistics—compiled from

local, county and state records by the Press-Record—show that there were 422 crashes with four deaths and 229 personal injuries in the first two months of this year.

For the same period of 1967, the totals were 313 accidents with three deaths and 146 injuries, and in 1966, the totals were 306, four and 205. In 1965 there were 412 accidents with five deaths and 148 injuries.

February statistics list 169 accidents with three deaths and 98 injuries in the Quad-Cities, compared to 1967 figures of 143 crashes with two deaths and 97 injuries in February. The January figures for this year were 253 accidents with one fatality and 131 injuries. In January 1967, the totals were 170 accidents with one death and 89 injuries.

KAHI Names Delegates; Plans Newspaper

Mrs. Lucille Kramer and Mrs. Dolores Nikonowicz, members of the Kirkpatrick Homes Improvement Association, were elected representatives to the Quad-Cities Social Concerns Council at a meeting in the housing project recreation center Friday afternoon.

The group also voted to compile and distribute a newsletter within the housing development and appointed Mrs. Nettie Coons of the Golden Age Circle, Don Hornberger, Illinois Youth Commission representative, Mrs. Frances Hogue and Mrs. Betty Liddell, association president, to direct the project.

Kirkpatrick residents wishing to contribute items for the newsletter's first edition may call the housing authority office at 978-0975, prior to March 15. The name "Ridgeway Reporter" was selected and plans were made to publish the newsletter every three weeks.

"We recommend Electric Heat because we enjoy carefree living,"

SAYS THE WILLIAM JOHNSON FAMILY OF RIO, ILL.

"Electric heat takes care of itself... which is an advantage because we really learned to enjoy in our new home!" says Mr. Johnson.

"Because the baseboard heaters are so care-free, there's more leisure time to spend with the family. And it's made even more enjoyable with the room-to-room temperature control we get with electric heat."

There are no disturbing hot or cold areas to

spoil the fun... just clean, quiet, uniform heat throughout. We recommend this kind of living without hesitation!"

If you're planning to build soon, here is something else you'll find extremely comforting: The rate for electric heat has been reduced for Illinois Power Company customers.

For facts about heating your new or remodeled home electrically, call your Illinois Power office.

"Our electric heat bills have been very reasonable considering all the advantages we receive," says Mr. & Mrs. Carl Johnson of Centralia, Ill.

Local Woman Receives Letter from Lady Bird

Mrs. Fay Chevere, 2237 East 24th street, who had met President and Mrs. Lyndon B. Johnson in 1961 at a rally in New Orleans, La., received a personal letter from Mrs. Johnson last week.

Chevere had sent an inquiry to Mrs. Johnson on the results of a meeting she had held in the White House, earlier this month dealing with prob-

lems of crime and juvenile delinquency.

In reply Mrs. Johnson sent a pamphlet and four printed pages of suggestions for the women of the country to follow in trying to keep children in activities and avoid crime and juvenile delinquency. The suggestions were to work through the schools, churches and to assume the school drop-outs to become useful citizens.

Driver Flees 2nd Hit-Run Crash on Foot, Captured

An Eagle Park motorist who police said was fleeing the scene of an accident in East St. Louis crashed into a parked car in the 1600 block of Collinsville avenue, Madison, 8:15 p.m. Friday and then fled on foot into Eagle Park Acres.

He was apprehended about 20 minutes later by Venice police who were asked to assist Madison authorities. A warning shot was fired by a Venice officer as he was chasing the man on foot. The suspect surrendered in the 2200 block of Hill street, Eagle Park.

Police identified him as Booker T. Lattin, 39, of 221 Hill street. Lattin was charged with careless driving, leaving the scene of an accident and driving without a driver's license. He was held in the city jail at Madison until Saturday.

Pursued by Cab Driver

Madison police reported they received a call at 9:10 p.m. that a hit-run car was heading into Madison on Route 203, pursued by the driver of a taxicab that had been struck by the fleeing auto.

Officers in two squad cars sighted the car and cab turning south off Second street at Alton avenue and gave chase. Police pursued the cars to the 1600 block of Collinsville avenue where the car struck a parked auto in front of 104 Gareche Homes. The car was owned by Paul Lindsey, who lives at the Gareche Homes address.

The driver jumped from his damaged car, police reported, and fled south toward Eagle Park Acres. Herbert Woodrow, 28, East St. Louis, driver of the cab, reported Lattin had struck his cab on Route 203 and left the scene.

Youth, 17, Charged With Theft of Auto

Patrolling police spotted a car stolen from West 23rd street and Illinois avenue about 11:40 p.m. Friday on a downtown parking lot, and a vigil resulted in the arrest of a 17-year-old boy and capture of two of his three younger companions. The 1957 sedan belonged to Danny Boyles, who reported at 7 p.m. that it had been stolen. Officers saw four boys get into the car downtown and gave chase. As the car went around the corner at 18th street and Edison avenue, the boys jumped out. The car kept rolling and knocked over a parking meter.

A warning shot was fired in the air and three of the boys were apprehended, including Michael Schuere, 17, of 2805 Cayuga street, who was charged with theft of property valued under \$150. The other boys, 15 and 14 years old, were released to their parents.

Fire Damages Bed

Fire of undetermined origin caused about \$100 damage to a bed in an apartment of a four-family brick flat at 2148 Benton street about 9:30 a.m. Sunday. Firemen said there was no one at home, and the name of the occupant was not learned.

Seven area couples were divorced last week in Madison county circuit court at Edwardsville. Receiving divorces were:

Harold E. Pasley of Granite City from Georgia Pasley of Madison. They were married in 1949 at Pigott, Ark., divorced in 1958, remarried Jan. 24, 1959, and separated last Nov. 19. Mental cruelty was charged. Custody of one child was granted to the mother; and the father, in a property settlement, agreed to pay \$15 per week child support.

Bonnie Allison from Ernest Allison, both of Granite City. They were married Aug. 21, 1952, in Madison, and separated Nov. 20. Cruelty was charged. The mother received custody of two children, and in a property settlement, the father agreed to pay \$15 per week per child support.

James William Clark of Granite City from Mary Ann Clark of Miami, Fla. They were married June 18, 1959, at Elizabethtown, Ky., and separated Jan. 17, 1965. Desertion was charged. Ruth Dickerson from James Joseph Dickerson, both of Granite City. They were married Aug. 24, 1956, in Granite City. Cruelty was charged. Custody of two children was given to the mother. The father was ordered to pay child support of \$35 per week plus \$100 before each school year for school clothing.

Tana Epperson of Granite City from Eugene Epperson of St. Louis. They were married Oct. 8, 1965, and separated July 7, 1967. Mental cruelty was charged. Custody of four children was given to the mother, and the father was ordered to pay \$25 per week child support.

Martha Taylor from Bobby Jean Taylor, both of Granite City. They were married Aug. 19, 1961, in Georgia, and separated last Feb. 2. Cruelty was charged. The mother received custody of two children, and in a property settlement, the father agreed to pay \$110 per month child support.

Doris Wilson from George Wilson, both of Granite City. They were married Jan. 7, 1967. Mental cruelty was charged. Custody of one child was given to the mother, and the father was ordered to pay \$15 per week child support.

Applications for Job Corps Being Accepted

Applications are being received once again at the Illinois State Employment Service office, 21st and Iowa streets, from disadvantaged boys, 16 to 21 years of age, interested in the Job Corps.

Malcolm Thompson, manager of the office, said he was notified Friday to begin once again to take the applications. The Job Corps recruitment had been halted through February because a number of the training centers had been closed.

The ISES office has hours of 8 a.m. to 4:30 p.m. Monday through Friday.

Trucker, 45, Dies Of Heart Attack

A truck driver for M. C. Slater Trucking Co., Granite City, dropped dead on the loading dock at Granite City Steel Co. Friday evening as he was covering a load of steel with a tarpaulin.

He was Matthew Watchman Jr., 45, of Taylorville, Ill. An autopsy disclosed Watchman had suffered a heart attack, coroner Leonard Davis said. Watchman was working atop the truck, and he was caught as he fell by two fellow workers. They were Garrett Shaw and Lawrence Hines, both of Litchfield. Funeral services will be held at Taylorville.

Firefighter Union 50th Anniversary

Firefighters Local 253 of the Granite City fire department is joining about 130,000 other firefighters across North America this week in observing the 50th anniversary of the International Association of Fire Fighters, AFL-CIO.

A resolution giving recognition to the association and to Local 253 has been adopted by the Tri-City Trades and Labor Council.

Local 253, headed by Harry Hillman as president, has 38 local members. The union has a constitution which specifically bans strikes by its members. In recent months, the union has urged legislation which would make it a federal offense to interfere with firefighters in the performance of their duty during riots or civil disturbances.

In cooperation with the International Association of Fire Chiefs, the IAFF has called for establishment of a national advisory commission on fire prevention and control as one method of curbing the loss of lives and property from fires.

Dr. Karsh to Speak Tonight on Clean Air

Dr. Robert Karsh of the Commission for Environmental Information will address a public gathering sponsored by the local Citizens for Clean Air at 7:30 tonight in Wesley Hall of Niedringhaus Methodist Church.

Associated with the Washington University School of Medicine, he is an author and scientist.
